Camp Burnt Gin (CBG) Enteral/Gastrostomy Feeding Action Plan

Instructions for Completing 4515-ENG-DPH

PURPOSE

This form is completed by the licensed physician, advanced practice nurse (APRN), or physician assistant (PA) to provide information and instructions regarding the prospective camper's enteral/gastrostomy feeding requirements.

AUDIENCE

The licensed physician, advanced practice nurse (APRN), or physician assistant (PA) completes the Camp Burnt Gin Enteral/Gastrostomy Feeding Action Plan.

INSTRUCTIONS

Instructions for completing each item are embedded in the form. Users are instructed to answer each question.

OFFICE MECHANICS & FILING

The enrollment application is kept in the applicant's file at camp during the summer and becomes part of the permanent file maintained by the Children and Youth with Special Health Care Needs section for 13 years after the minor's last camp session, or until the minor has reached their nineteenth birthday – whichever period is longer.
